-----------------	---------	------------	-----------

PGP® è un prodotto originale di Hunter ed il modello che ha segnato il debutto dell'azienda nel 1981. Il suo design eccezionale e le prestazioni impressionanti ne hanno decretato il successo allora e i continui miglioramenti e aggiornamenti gli hanno consentito di rimanere da allora il numero uno delle vendite di turbine nel mondo. Grazie alla capacità di distribuire acqua in modo uniforme tramite precisi ugelli questo irrigatore non ha pari in termini di affidabilità, lunga durata, versatilità e valore. Con le sue infinite possibilità e gli anni di esperienza di Hunter nei sistemi ad ingranaggi per gli irrigatori a turbina non c'è da meravigliarsi se PGP rimane la prima scelta dei professionisti.
