

Оборудование: [Rain-Clik™](#),^[1]
[Mini-Clik™](#),^[2]
[Solar Sync™](#)^[3]

Темы: [FAQs](#)

The **Rain-Clik**, **Wireless Rain-Clik**, and **Solar Sync** provide instant shut off, thanks to Hunter's Quick Response feature.

The **Mini-Clik** is an adjustable model which can be set to deactivate the system when either 1/8", 1/4", 1/2", 3/4" or 1" (3-25mm) of rain hits the sensor.
