

# BUBBLERS

## FEATURES

- Pressure compensation ensures uniform output across various pressures
- ½" inlet
- Flow marked top for easy identification

### PCB PERFORMANCE DATA

	Model	Flow GPM	Pattern Type
	25	0.25	Trickle
	50	0.50	Trickle
	10	1.00	Umbrella
	20	2.00	Umbrella

**Notes:**

Typical spacing 2 to 4 ft. Flows shown for pressures between 15 and 70 PSI.
