PLD LOC FITTINGS

PLD-LOC
• High-quality glass-filled polypropylene
• Easy push-on installation, threads lock it into place
• Easier and faster than other fittings
• Fits multiple sizes of dripline and tubing (inside diameter range from 0.520" to 0.620")
• Brown color blends in with dripline and landscape
• Reusable and ideal for drip irrigation maintenance
• Warranty period: 2 years

OPERATING SPECIFICATIONS
• Maximum pressure: 60 PSI

PLD FITTINGS

BARBED FITTINGS
• Acetal material
• Dual barb provides stronger hold than single barb
• Ideal for use with Eco-Mat®, Eco-Wrap®, HDL
• Fits 17 mm dripline and tubing
• For installation of the PLD-IAC and PLD-IAE grommets, use an 11/16” spade drill bit
• Brown color to match HDL dripline
• No clamps necessary
• Warranty period: 1 year

OPERATING SPECIFICATIONS
• Maximum pressure: 60 PSI
